## **CLASS**

1969

The Class of '69 was a class of great surprises as underclassmen, especially as freshmen and sophomores. As freshmen, we won the Jack-Emery Drive. As sophomores, under the leadership of Presidents Paul Higuchi and John Ovalli, we co-sponored the Talent Show. We also won Pirates Holiday.

Under the direction of officers Dave Cooper, Cheryl Eklund, and Sandy Gifford we held the Junior-Senior Candy Sale. We topped the year off with the successful Junior Prom, "Through the Looking Glass."

This year as seniors, we started activities early with a Senior Breakfast. Under the leadership of Steve Curlee, Ed Mendez and Linda Kawashima and our spirit chairman Jan Rekoutis, the Class of '69 boosted it's spirit by doing an outstanding job at rallies. This year was truly great and the highlight of the Senior Ball proved it to be a very successful one.

CHAMPIONSHIP VOLLEYBALL TEAM

Through the hard work of many, many students and Physical Education teachers, the Piedmont Hills G.A.A. completed one of the most successful season's of its school history.

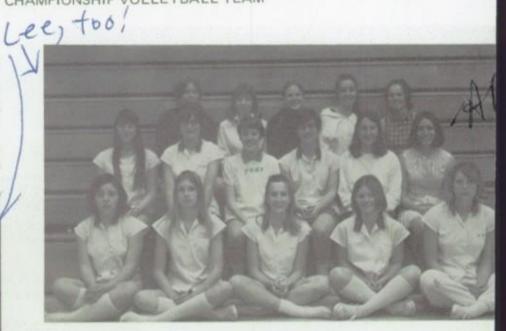

The successful results are not to be equated solely with our won-loss record but also to the number of girls participating for various teams throughout the year,

BASKETBALL

Not only has it been an outstanding competitive season, but the girls had their fun activities too.

The year began with a get acquainted party to encourage new students to join the organization. This was followed by a Mother-Daughter Fun Night, a Co-Ed Fun Night and an Awards Banquet.

# PLAY BALL! VARSITY "STICKERS" OPEN SEASON

ohn Coughran has portrayed his talents on the basketball court at Piedmont Hills High chool for the past three years. His performance on and off the field of athletic competion has been an inspiration for others to follow.

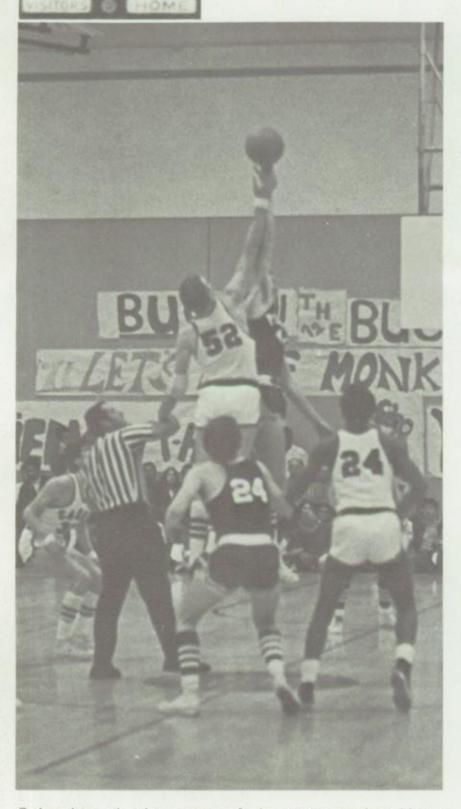

s a player during this three-year period, John has scored 1,230 points (a 17.8 points per ame average) and hauled down 995 rebounds (averaging 14.4 for the three-year, 69 game eriod). This season Coughran scored 547 points (while leading his team in assists) for a 4.7 average placing him as the fifth highest scorer in the San Francisco- Oakland Bay rea. In league play John averaged 25.3 points (surpassing Ralph Ogden of SCU), scored ver twenty points in the last ten league games in a row, led his team to one league chamonship and almost single-handedly duplicated that feat in the 1968-69 campaign.

onors accorded the 6'6" Pirate star have been: All-league (two years), All Santa Clara punty (selected by the University of Santa Clara Quarterback Club —two years), Mt. amilton league Most Valuable Player (a unanimous selection), All-Central Coast (two ears) and as selected by the San Jose Mercury News—the 1968-1969 CENTRAL COAST LAYER OF THE YEAR!

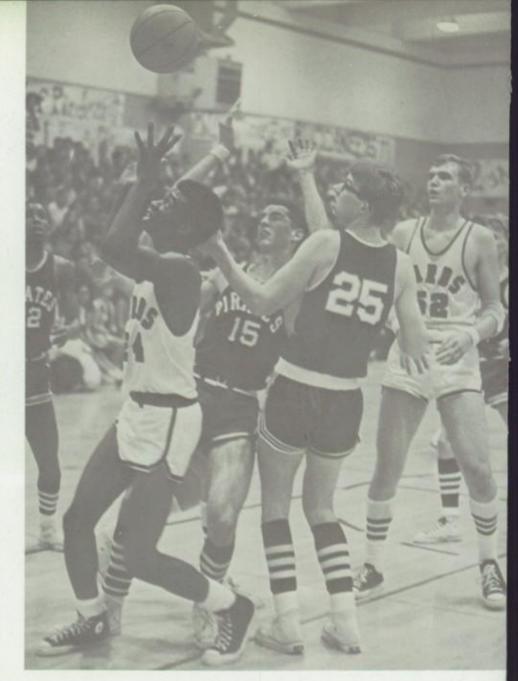

the Coughran is a living example of the All-American boy -great athletic skills, modest and unassuming, cooperative and friendly to all, a good student (a solid B average), and assessing the highest degree of character and morals. Piedmont Hills is extremely proud John and feels most fortunate to have had this fine young man as one of its students.

# SEASON ENDS IN 60 8 00 SECOND DISPUTE

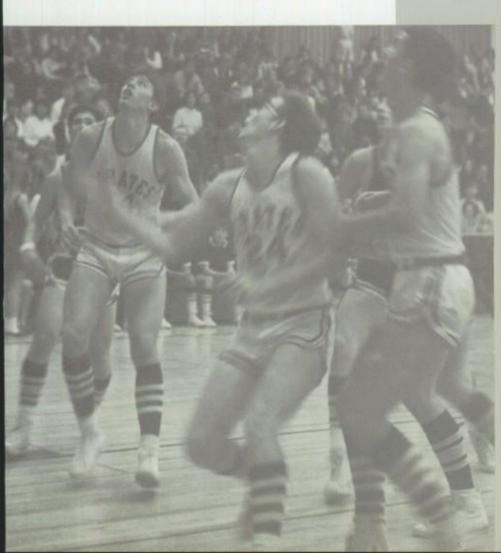

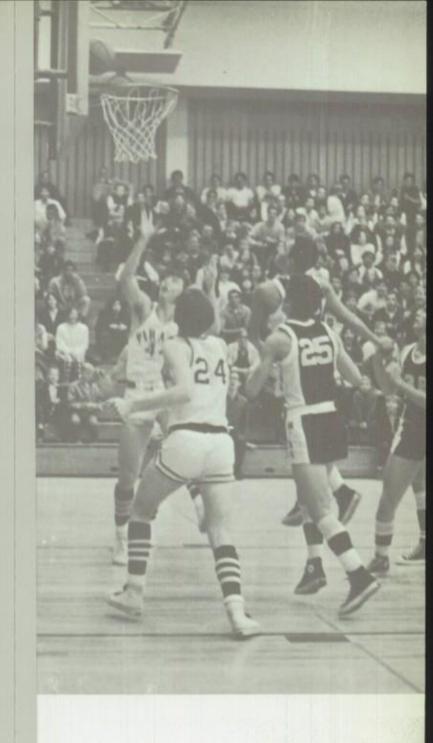

Going into the last game of the season against Mount Pleasant, the Pirates occupied a tight first place in the Mount Hamilton Athletic League. Piedmont held a half-time lead of 32-21. In the second half, the Cards closed the lead and in the final seconds, amid the deafening roar of the crowd, took the lead. The Pirates dumped one last bucket, but it was decided that the buzzer had gone off and the game was officially over with Mt. Pleasant boasting a 57-56 victory.

". . . the different voices . . . they all belonged to each other: the lament of those who yearn, the laughter of the wise, the cry of indignation, and groan of the dying. They all were interwoven and interlocked, entwined in a thousand ways. And all the voices, all the goals, all the yearnings, all the sorrows, all the pleasures, all the good and evil, all of them together was the world."

We have accomplished much this year as a united Student Body Total participation and involvement was the main reason for our unity. We succeeded in obtaining an atmosphere for learning which proved to be enjoyable.

During the 1968-69 year, the Executive Council opened more areas and activities for pleasure then ever before. Our rallies were glorious because the students participated.

We learned many new traditions and ideas from other schools but also we attempted new schemes with ideas from students within our own Student Body. Student Council, for once, became effective as the students that were elected actually represented their classes.

All in all it was a year we will all remember as great.

It is indeed both fitting and proper that this document salute primarily the class of '69. They afforded our school stability in unstable times, reason amidst irrationality, and, most importantly, dignity to overcome crassness. In so doing, they discharged their responsibilities as the leaders of Piedmont Hills High School.

The positive manifestations of the class of '69 represent the goals of American education. We thank you.

### Mr. JOHN BRUNOLLI

The task of the Delian staff is to dedicate the yearbook to the most deserving and appreciated person at Piedmont Hills. In keeping with this tradition the staff has chosen a man who not only deserves this small tribute, but must be recognized for all that he has done for the students. He is a man whose unselfish devotion has promoted him among faculty members and students alike. He has been an inspiration to the students in and out of the classroom.

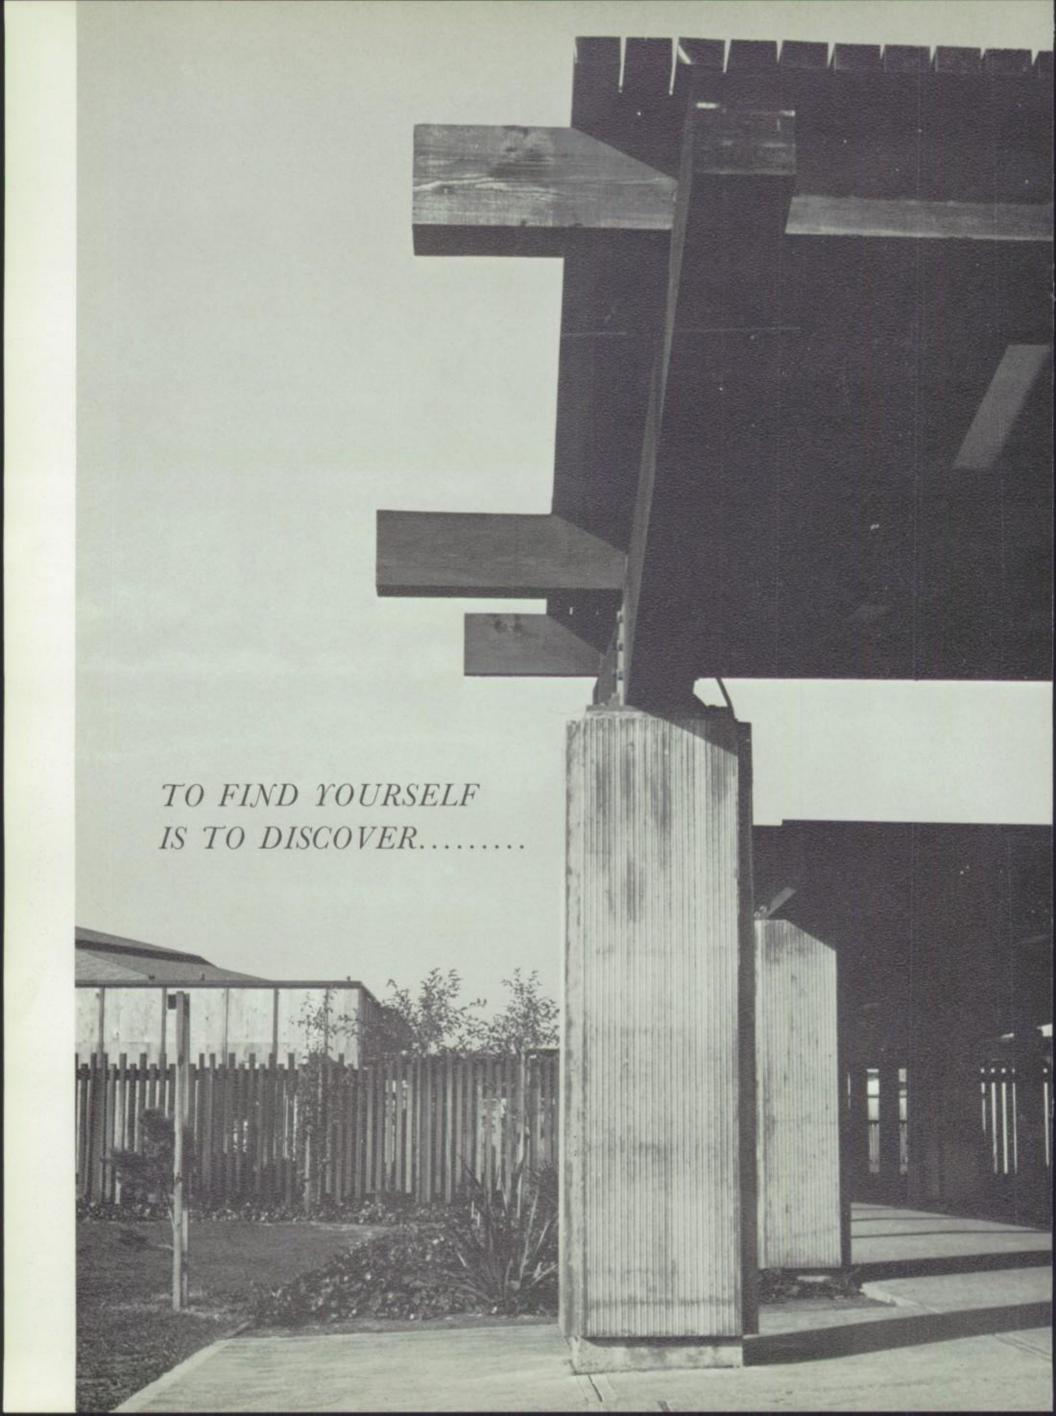

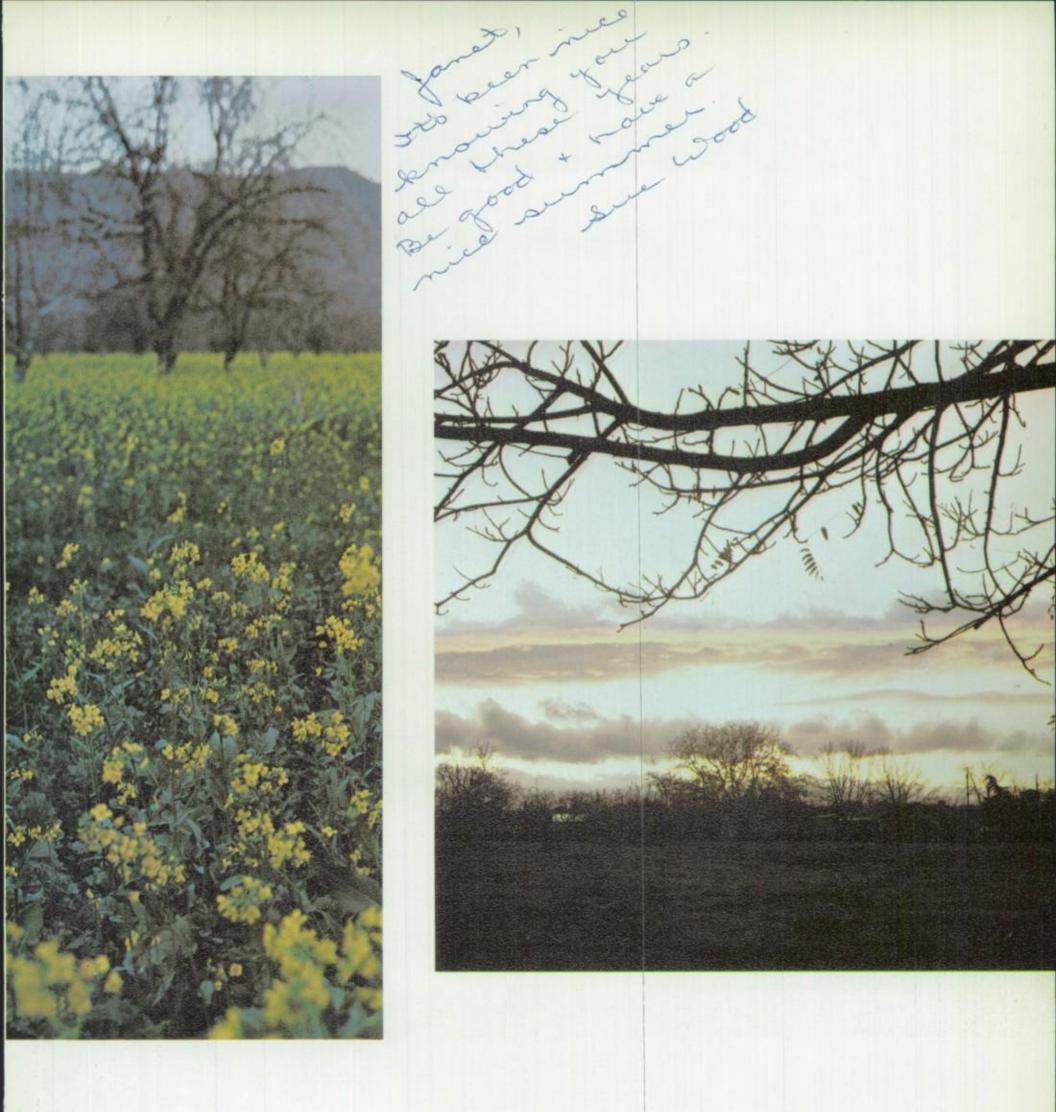

What has just been said is not pure flattery but is credit due to all of the many things that he has contributed toward the advancement of a better educational system at Piedmont Hills. During his four years at Piedmont Hills he has been Head of the English Department, Latin Club advisor and track coach.

It is with great pride and pleasure that we dedicate the 1969 Delian Yearbook to Mr. John Brunolli.
